

**Everything Outdoors  
for Playgrounds,  
Parks & Streets**

**DECEMBER 2016**

**SCULPTURE & MEMORIAL LIGHTING**

Outfront Concepts are the South Australian distributor of quality LED solar powered lighting and advanced warning systems manufactured by Solar G.

These architecturally designed range of lighting systems are amongst the most powerful and reliable solar systems in the world.

See what has been created with a dynamic off grid, multi-colour, solar LED show in Hunter's Hill Council.
