Town of Gawler added [5 new photos](#).

30 March 2015 ·

Council has awarded this year's playground upgrade project to Outfront Concepts Pty Ltd. The project is jointly funded by Council and the SA Government, Department of Planning, Transport and Infrastructure.

The projects scope of works includes:

Apex Park: Replacement of existing playground with new facility inclusive of enclosing fence.

Apex Park: Installation of new fitness station adjacent Gawler Urban Rivers Path - Tapa Pariara.

Humphrey George Park: Replacement of existing playground with new facility inclusive of shade structure.

Hindmarsh Reserve: Replacement of existing playground with new facility inclusive of shade structure.

Clonlea Reserve: Replacement of existing playground with new facility.

Coleman Parade: Installation of new shade structure.

All supplied equipment will be Australian made, and allowing for supply lead time the installation is scheduled to progressively commence within six weeks, with completion anticipated by the 30th June 2015 (subject to any inclement weather delays).
